Supporting Evidence: Mr. Ike tested presumptive positive for marijuana on September 10, 2015.

Mr. Ike reported to the probation office and was directed to submit a urine sample. He initially reported having consumed marijuana on or about August 22, 2015. After being confronted about his continued marijuana use, he admitted his last use was as recent as September 5, 2015. The specimen collected from Mr. Ike returned presumptive positive for the presence of marijuana using the MP Rapid Test device. The specimen was sent to Alere Toxicology Services for confirmation.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer to the allegations contained in this petition and in the petition previously reported to the Court on August 17, 2015.

I declare under penalty of perjury that the foregoing is true and correct.
